PROFILE

I am passionate about eye catching graphic, illustrative design. Indoors or outdoors, my work extends to any scale, on any surface and on any subject. I enjoy working across a range of challenging environments, under pressure and to strict deadlines. I am eager to broaden my skills and look forward to delivering any project to the best of my ability. With thought and application anything is achievable.

INTERESTS

Different cultures fascinate me: I'm interested in and inspired by ethnic styles, patterns and textiles from across the world and I want to explore and develop the visual and musical influences I find in punk and hiphop culture.
